OCR P HOSTS FUNDRAISER TO SUPPORT ANTI-HUMAN TRAFFICKING

BLOOMFIELD HILLS, MI ~The Oakland County Republican Party (OCR P) is working with Hope Against Trafficking (HAT), a rehabilitation program located in the heart of Pontiac, which helps survivors receive the care, compassion, skills and resources needed to be successful in society.

Many people don't know that the crime of human trafficking is one of the leading human rights issues, affecting over 25 million people across the world. This partnership between OCR P and HAT helps to create community awareness, while working hand-in-hand with legislators on both sides of the aisle will help to mitigate this tragic epidemic.

Almost every household has an abundance of returnable bottles and cans that need to be taken to a recycling location. For a few short weeks this simple chore can bring much needed financial support to this worthy cause. We will be collecting bottles and cans throughout the month of January to raise money and awareness with an easy and sustainable fundraiser.
